SWEET MELODY FLOUR.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition. Beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, it is a sign of the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of the kidneys and bladder is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root, pamphlet telling all about Swamp-Root, including many of the thousands of testimonials received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

TELLS US HOW TO MAKE A MIXTURE

Splendid Remedy for Stomach and Kidneys and Rheumatism.

More people succumb each year to some form of kidney trouble than any other cause. The lightest form of kidney derangement often develops into Bright's kidney disease, diabetes or dropsy. When either of these diseases are suspected the sufferer should at once seek the best medical attention possible. Consult only a good, first-class physician.

There are many of the lesser symptoms of kidney trouble which can be treated at home is stated by a well-known authority. For some of these, such as backache, pain in the region of the kidneys, weak bladder, frequency, (especially at night) painful scalding and other urinary troubles, try the following simple home remedy: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. These simple ingredients are harmless and can be obtained at any good prescription pharmacy; and any one can mix them by shaking well in a bottle. The dose for adults is a teaspoonful after each meal and again at bedtime.

There is no more effective remedy known to relieve all forms of rheumatism, because it acts directly upon the kidneys and blood. It cleans the clogged up pores in the kidneys so they can filter and strain from the blood the poisonous uric acid and waste matter which if not eliminated remain in the blood, decompose and settle about the joints and muscular tissues causing the untold suffering and deformity of rheumatism.

Backache is nature's signal notifying the sufferer that the kidneys are not acting properly. "Take care of your kidneys," is now the physician's advice to his patients.

More Than Enough Too Much.
To maintain health a man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. PLAYS and PLAYERS

At the Grand this week the Myrtle Harder Repertoire company is giving performances of popular plays to the largest business that has ever been done at this popular play house.

The excellent cast is headed by Raymond Payne, the boy wonder, who has the reputation of being the richest actor in repertoire. Already this week he has given away—on the stage—over a million dollars and the rest of the company simply use their salaries for cigarette money.

In the leading female roles, Miss Daisy Corleton, is appearing, and she is doing the best work of her career. All of the old members of the company have met with hearty receptions as they are remembered for their excellent performances in the city in the past.

Of course the playgoers miss the fatal beauty of Frankie Vail, and the rapid gun play of Hazel Carleton, but their loss is more than made up by the presence of some new members, among whom may be mentioned Will H. Strauss and Jack Whitesides. Mr. Strauss bills himself as "Your Hebrew Friend," and he is right—in fact the Myrtle-Harders are all our friends, and we are glad to see them.

By the way—sarcastic note for nobby dressers—Eugene Hall is also

Channing Pollock and Jules Eckert Goodman are writing plays for Margaret Wyckert.

George Fawcett has made a bid for the English rights of "A Gentleman of Mississippi."

Julie Herne has written a play of stage life called "Managing Sylvia," which is to be produced in St. Louis.

Leo Dietrichstein is to be the head of a stock company in Cleveland, where he will revive a number of his own farces.

Henry Miller has accepted a play from Rida Johnson Young, author of "Brown at Harvard." The play will have an early production.

James Young, Jr., is meeting with exceptional success in his tour of the South in "Brown at Harvard," which was originally written for him by his clever wife.

Providence was selected as the place for the first production of Mary Manning's new play, "The Struggle," by Edwin Tilton, in which the star portrays a woman with a past.

Eleanor Robson was seen in Albany this week in the first production of her new play, "Vera the Med-

In town, and he has a hat that is green enough for St. Patrick's Day. The price to see this wonderful aggregation, including "the hat," remains at 10, 20 and 30 cents.

Tonight is amateur night at the Grand opera house, and a long list of budding Thespians will contest for the handsome prizes that will be given away. These amateurs have proved very popular in the past, and the entertainment provided for tonight includes some of the best amateur talent in the city.

Paul Gilmore is particularly happy this year in the choice of his play "The Boys of Company B," in which he plays the role of Tony Allen. Mr. Gilmore will be seen at the Grand opera house, November 13.

Anna Laughlin is going to return to vaudeville.

William Norris has joined "The Soul Kiss" company.

"Tribbe" was revived by a stock company in Milwaukee.

Adelaide Keim has gone back to Chicago where she is a big favorite.

Grace George's new play, "Give and Take," will be brought out within a month.

WHY SUFFER?

Breathe Hyomei and Kill the Loathsome Catarrh Germs.

Just as long as you have catarrh you must will feel, your breath will be foul, you will hawk and spit, you will do other disgusting things because you can't help yourself. The germs of catarrh have got in your power; they are continually and persistently digging into and irritating the mucous membrane of your nose and throat. They are now making your life miserable; in time they will sap your entire system of its energy, its strength, its vigor and vitality.

If you do not kill the loathsome germs of catarrh, their desperate assaults will in time undermine your health, rob your brain of its brilliancy and activity, and leave you not only a physical but a mental wreck. This picture is not overdrawn; the writer has seen thousands of just such cases. He has personally experienced the demoralizing attacks of the horrible catarrh germs, the greatest pest of civilized nations.

But there is one remedy that will

kill the germs and cure catarrh, and that is Hyomei, the Australian dry air treatment. There may be other remedies but they are not guaranteed as well as Hyomei, the drugists will guarantee Hyomei to cure catarrh or money back. Don't delay this pleasant antiseptic treatment. Every day you allow these germs to exist in your system brings you nearer to complete demoralization. Wells & Haymaker will sell you a complete Hyomei outfit for only \$1.00. Ask them about it. It is also guaranteed to cure bronchitis, asthma, coughs, colds and hay fever.

The Schuberts are to produce five new plays which will this week be put in rehearsal. They are "Havana," of which James T. Bowers will be the star; "The Goddess of Reason," with Julia Marlowe in the leading role; "The Blue Mouse," "The Vampire" and "The Paradise of Mahomet."

"Little Nemo" expects a year's run in New York.

A play to be produced in the holiday times is called "The Sun of Society."

Maxine Elliott's play, "Myself—Betha," has closed its engagement in New York, having failed to meet approval.

In the company to support Creston Clarke, in "The Servant in the House" will be Clay Clement, George R. Wilson, Stanley De Witt, Lizzie Hudson Collier and Winona Shannon.

Amelia Bingham is receiving glowing notices for her work in vaudeville in which she is presenting the great scenes from her various successful plays. Miss Beth Franklis is also winning notice in her own company.

Naphtha Loosens The Dirt.

Soap cleans. That is how P. & G. Naphtha Soap does its work.

The naphtha in it, by loosening the dirt, makes it easy for the soap to do the work it is intended to do—cleanse.

P. & G. Naphtha Soap would clean just as thoroughly as it does, if it contained no naphtha at all; but it would take more time and more work.

Naphtha and good soap make an ideal combination—a combination that does away with half the work and practically all the discomfort of wash day; and makes it possible for a woman to do as much work in 4 or 5 hours as now takes twice that long.

Boiling of clothes, with all its attendant annoyances, is a thing of the past with women who use P. & G. Naphtha Soap. So is nine-tenths of the hard work over the washboard.

Why Colds are Dangerous
Because you have contracted ordinary colds and recovered from them without treatment of any kind do not for a moment imagine that colds are not dangerous. Every one knows that pneumonia and chronic catarrh have their origin in a common cold. Consumption is not caused by a cold but contracted when the system for the reception and development of the germs that would not have otherwise found lodgment. It is the same with all infectious diseases. Diphtheria, scarlet fever, measles and whooping cough are much more likely to be contracted when the child has a cold. You will see from this that more real danger lurks in a cold than in any other of the common ailments. The easiest and quickest way to cure a cold is to take Chamberlain's Cough Remedy. The many remarkable cures effected by this preparation have made it a staple article of trade over a large part of the world. For sale by all dealers.
